... because it IS better when purchased from the National Emblem Sales. Superior quality wool with the ultra in silk cord edging and an excellent quality of genuine leather composing the sweatband, which assures the customer of years of satisfaction, is featured in our caps.

POST CAPS. Available in three materials in two qualities. *Standard* quality caps are light and durable, designed for comfort, with an unlined interior protected with a regulation sweatband. *Deluxe* quality styles come with extra heavy lining and wider heavier sweatbands to fulfill the desires of particular Legionnaires. The Modified cap, designed after the WAC cap, is furnished for our women Legionnaires who prefer the chic feminine uniform appearance.

TO HELP YOUR BLOOD PROGRAM SUCCEED

Since World War II, The American Legion at the Post, Department and National levels has continued an active program among its millions of members urging them to give blood for use in saving lives everywhere. To recognize and revitalize this wonderful community service program, the 38th National Convention authorized "the National Organization of The American Legion to adopt an appropriate symbol to be awarded to those LEGIONNAIRES who contribute blood to The American Legion Blood Bank." The droplet of blood is now nationally recognized as the symbol of a blood donor. For this reason we asked and were granted the permission of The American National Red Cross to use this background for our symbol.

Request for purchase of Blood Donor Symbols must be accompanied by proper certification signed by the Post Commander or Adjutant attesting to the eligibility of the Legionnaire donor to wear the symbol. Certification forms available from your Department headquarters. ALL ORDERS FOR BLOOD DONOR SYMBOLS MUST BE SENT THROUGH YOUR DEPARTMENT HEADQUARTERS.

Special Colored Border Individual Certificates to be filled in by a local person and presented by the Posts (No. 74316) or Department (No. 74317). Each \$0.20

A Letter from the Director

Dear Member:

We are pleased to send you this copy of the 1959 Emblem Catalog. We have attempted to secure for your use as well as for the use of your Post and/or Unit merchandise of top quality at a reasonable price. You receive the emblem on every item at no additional cost to you. The modest profit derived through your National Emblem Sales goes toward the several fine and wonderful programs of our great organizations, The American Legion and The American Legion Auxiliary.

Our twofold aim is to give you quality combined with service. In order for you to take full advantage of our streamlined operation and to expedite shipment of your order, please be sure to list all information necessary, such as SIZE, COLOR, COMPLETE and CORRECT LETTERING (typed or printed), STOCK NUMBER, etc. Re-check your order and the catalog page to make sure that you have given all information necessary to complete your order.

For your convenience you will find a sample order blank and an order blank for your use on the inside of the back cover. Additional order blanks will be sent to you upon request. Additional information concerning the ordering of merchandise and conditions are listed on the inside of the back cover (page 47).

NEW POLICY effective with January 1, 1959, is the addition of 25 cents per order when less than \$3.00 for postage and extra handling charges. This has been brought about because of increase in cost of handling and postal rates and the efforts of your National Emblem Sales to hold the price of merchandise as low as possible. If your order is for less than \$3.00, be sure to add the additional 25 cents.

We appreciate your business and look forward to being of service to you.

Yours in American Legion Service to the Community, State and Nation,
